

Thank you for your interest in our service and downloading our target set.

Within you'll find the single target that need to be printed out, full instructions, our terms and conditions and an order form.

Please take great care following our instructions when printing out the target, checking the finished target and completing our order form clearly to ensure we can provide you with the best possible profiles as quickly as possible. Our order form is in a PDF form format, this allows you to type your details and print it out from Acrobat reader to avoid us having any problems reading your hand writing.

**Please take particular care to ensure that your email address is clearly legible, if hand written.**

We normally return your finished profile by email with 24hrs of receipt of the targets. Any known interruptions to the this service will be posted on the front page of our web site in the news box.

If you haven't received anything from us within this expected time, please contact us in case we have had problems sending the profiles to you.

If you have an uncertainties please contact us at [support@colourprofiles.com](mailto:support@colourprofiles.com) and we'll assist you in any way we can.
